Dear Parent/Carer,

I am delighted to announce the publication of our Ofsted report after the inspection on 13<sup>th</sup> and 14<sup>th</sup> May. Whilst we still have work to do and are committed to our on-going development, we are very pleased with the report and the recognition of the progress made.

I am particularly proud that the report reflects the broad and ambitious curriculum, high achievement across subjects and, in particular, pupils' progress in building character. Pupils conducted themselves in an exemplary way and spoke proudly about the school and their maturity and confidence was clearly visible during the inspection.

I also need to say a huge thank you to our staff for their ongoing commitment and hard work. Of course, we are ever grateful for your support.

The report will be published on the school website and is on the Ofsted website.

All the best
