

Cheaper than a new School jumper!

Simple, safe, secure...

Kids these days carry a lot of expensive equipment, from trainers and clothing, to books and sportswear. So, it's scary to think that the average student loses seven items per month.

Having a school locker can help to reduce these numbers. Creating a constant, secure location for students to store possessions safely. With the added advantage of keeping books dry and promoting better back health.

And, when you consider prices start from just 12p per day, the decision is simple.
