

Muhammad Hamza

Geography Teacher

Having grown up in East London and developed a passion for Geography from an early age, I am proud to be part of Wanstead High School and to share that enthusiasm with the next generation. Since joining the school in 2019, I have worked across both pastoral and curriculum roles, which has given me a deep appreciation of our inclusive and supportive ethos.

Wanstead High School benefits from a strong culture of collaboration, where colleagues work together professionally and purposefully to ensure the very best outcomes for our pupils. This positive environment enables staff to carry out their roles with commitment and pride. I am continually inspired by our pupils' interest, resilience and dedication to their learning, which makes my role both rewarding and meaningful.

The school's commitment to flexible working

further supports staff wellbeing, ensuring that we can contribute effectively while maintaining a healthy work-life balance. It is a privilege to work in such a vibrant and ambitious community.
