Dear Parent/Carer,

We are looking forward to welcoming pupils tomorrow.

Pupils will be expected to wear blazers to school, despite the brief period of hot weather. We **must** start term with the highest expectations. Please don't be anxious as pupils will be able to remove these in class when given permission and outside during break and lunch. The building is cool in the corridor areas and pupils should move quickly and cleanly between lessons minimising time outside. I am confident pupils will be safe and comfortable; they should ensure they don't wear jumpers and take advantage of the tailored shorts and short-sleeved shirt options. Pupils should of course have a recyclable bottle of water at all times and there are plenty of water fountains around the school to refill these.

All the best

**Emma Hillman**
